

# MASQUERADE

## The Contract / The Crypts Of Hades

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

*[Redcoat:]*

"Are you willing to raise our empire of hate and evil  
Onto the whole world and to deliver man and every  
Living creature onto our hands?"

*[The three:]*

"Yes, master!"

*[Redcoat:]*

"Are you willing to tell man lies about world's past,  
How he was made and to suppress the truth for all times?"

*[The three:]*

"Yes, master!"

*[Redcoat:]*

"Are you willing to deliver your souls onto our hands  
To become powerful, famous and rich?"

*[The three:]*

"Yes, master!"

*[Redcoat:]*

"Ho Ho Ho! So it shall be done!"

## Masquerade

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

Masked souls and blackest minds, mandrakes of the dark  
Pitch and poison in their veins, they wear the evil's mark  
Corruption, hate and deepest scorn they teach  
"Obey and work!" the holy law they preach

They've sold your soul, your flesh and blood to the whims of evil gods  
They've changed the world to hell on earth to save their evil plots  
With murder, war and treachery they rule  
If you trust in their machinery you're a fool

Masquerade, hiding their black-heart  
Masquerade, evil and dark  
Masquerade, treason and lies  
Masquerade, covers their evil eyes

They rule the world by telling lies, dripping poison in your ear  
Keeping up appearances, revelation is their fear  
They control your mind with hate and evil lies  
Religion is the devil in disguise

Masquerade, hiding their black-heart  
Masquerade, evil and dark  
Masquerade, treason and lies  
Masquerade, covers their evil eyes

So open up your clouded eyes, the conspiracy to see  
If you wipe away their evil world, there's a chance of living free  
The ancient tales tell holy laws: The truth!  
So be aware of what they are and they'll lose

Masquerade, hiding their black-heart  
Masquerade, evil and dark  
Masquerade, treason and lies  
Masquerade, covers their evil eyes

Masquerade, hiding their black-heart  
Masquerade, evil and dark  
Masquerade, treason and lies  
Masquerade, covers their evil eyes

## Demonized

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

Modern man is going crazy,  
The whole world is going mad  
The atmosphere is going hazy,  
They loot the world until its dead

The hell of war that rages on,  
The law of hate that's everywhere  
Falling bombs a billion tons,  
Plunge the world into despair

An evil, frightening nightmare  
That rules the world until the end  
No change and no redemption  
Will come until the evil's banned

Demonized, the machinery pollutes the air  
Demonized, atomic bombs that sow despair

Politicians rule the lie,  
Misuse the law to make their pile  
Corrupted whores of deepest dye,  
They ruin the world, but they keep their smile

An evil, frightening nightmare

That rules the world until the end  
No change and no redemption  
Will come until the evil's banned

Demonized, the machinery pollutes the air  
Demonized, atomic bombs that sow despair

They invade the world with blinded rage  
Revealing truth'locked to a cage  
War and death their evil seed  
They hold their power on dirty deeds

Religious con-men are catching souls,  
Take the money that's rolling in  
They cheat the world to save their goals,  
Let children die while they pray and sing

An evil, frightening nightmare  
That rules the world until the end  
No change and no redemption  
Will come until the evil's banned

Demonized, the machinery pollutes the air  
Demonized, atomic bombs that sow despair  
Demonized, corrupted men that pray the lie  
Demonized, they save the money let people die

"That rotten bastards!"

## **Black Soul**

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

Blackness is calling, you're enslaved by its rule  
Obeying your madness, the weak-hearted fool  
Possessed by evil, you're on their game  
Hate is your motive to rule in their name

Biolytic evil, you kill and devour  
You fight alterations to save all your power  
You're betraying the youth you're blinding their eyes  
You're selling them drugs, you're feeding them lies

Madness reigns, evil affection  
Blood and death, the endless pain  
Madman's game, self-deception  
Deceit and lies gonna rule the game

Black soul you're breathing the poison of evil  
Delusions of grandeur, the soul-eating plague  
Black soul your doomed to eternal damnation  
You're melting in fire, the justice of fate

The contract is made and it's written in blood  
Betraying the world to save what you've got  
Distortion of truth keeps the evil alive  
And you cut your own throat with a rust-poisoned knife

Madness reigns, evil affection  
Blood and death, the endless pain  
Madman's game, self-deception  
Deceit and lies gonna rule the game

Black soul you're breathing the poison of evil  
Delusions of grandeur, the soul-eating plague  
Black soul your doomed to eternal damnation  
You're melting in fire, the justice of fate

Weakness is evil and evil is weak  
They never will share the power they seek  
You're a wealthless merepawn under their spell  
They've promised you heaven but they've sold you to hell

Madness reigns, evil affection  
Blood and death, the endless pain  
Madman's game, self-deception  
Deceit and lies gonna rule the game

Black soul you're breathing the poison of evil  
Delusions of grandeur, the soul-eating plague  
Black soul your doomed to eternal damnation  
You're melting in fire, the justice of fate

Black soul you're breathing the poison of evil  
Delusions of grandeur, the soul-eating plague  
Black soul your doomed to eternal damnation  
You're melting in fire, the justice of fate

## Lions Of The Sea

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

Strong and proud the cruise, black banner at the top  
The spoondrift hits the bow, they round the reefs and rocks  
The voice of freedom whispers in the rushing wind  
They roam the raging sea on their gliding wings

They fight the black to save the truth  
They fight the scorning lie  
Oppressions wall they will destroy  
They'll fight it till they die

Lions of the sea  
They ride the wind eternally  
They fight to be free  
Roaming the seven seas of fate

They save their souls from black, from its evil void  
Facing the challenge its coldness to destroy  
They deny the temporal power, they deny their evil lies  
They're strain at the leash until the evil dies

They fight the black to save the truth  
They fight the scorning lie  
Oppressions wall they will destroy  
They'll fight it till they die

Lions of the sea  
They ride the wind eternally  
They fight to be free  
Roaming the seven seas of fate

They brave the sea eternally, they tame the raging waves  
Freedom is their destiny, the sea will be their grave

Strong and proud the cruise, black banner at the top  
The spoondrift hits the bow, they round the reefs and rocks  
The voice of freedom whispers in the rushing wind  
They roam the raging sea on their gliding wings

They fight the black to save the truth  
They fight the scorning lie  
Oppressions wall they will destroy  
They'll fight it till they die

Lions of the sea  
They ride the wind eternally  
They fight to be free  
Roaming the seven seas of fate

Lions of the sea  
They ride the wind eternally  
They fight to be free  
Roaming the seven seas of fate

## **Rebel At Heart**

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

They want you to live on their rule,  
To walk just straight in the line  
Big brother, so mean and so cruel,  
So obey and you'll doing fine

Proud you'll be, for all the world to see  
So shed off your fear if you wanna be free

They want you, working 9 to 5,  
Paying your tax all the way  
They don't care if you're dead or alive,  
But they care what you do or say

Proud you'll be, for all the world to see  
So shed off your fear if you wanna be free

The wind of freedom blows away the binding chain  
Independent minds are sowing their grain  
Boundless power will tear the wall apart  
So don't give in be a rebel at heart

The pressure group lives on the fat,  
They hate people saying the truth  
They don't want people using their head,  
They don't want a critical youth

Proud you'll be, for all the world to see  
So shed off your fear if you wanna be free

The wind of freedom blows away the binding chain  
Independent minds are sowing their grain  
Boundless power will tear the wall apart  
So don't give in be a rebel at heart

## Wheel Of Doom

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

Religious madness is made to rule,  
Fights the sceptic with hate  
Blind believers, the credulous fool,  
Weak and delivered to fate  
A slave to science, prejudice-view,  
Its constant dogma is law  
Caught in dumbness, no mind, no clue,  
Ignorant down to the core

It's you, keeping the hand on the wheel  
It's you, ruling the fate  
It's you, keeping the power to change the world  
Before it's too late

The wheel of doom, turning circles  
The wheel of doom, your hand on the wheel  
The wheel of doom, light or darkness  
The wheel of doom, no lying, no deal

They cheat and lie and they lie and cheat,  
Stagnation is serving their aim  
Materialists gonna feed their greed,  
Praising the evil's name  
Blinded tools made to obey,  
No mind, no thoughts, no repend  
Deny the truth and you'll have to pay,  
You ruin yourself at the end

It's you, keeping the hand on the wheel  
It's you, ruling the fate  
It's you, keeping the power to change the world  
Before it's too late

The wheel of doom, turning circles  
The wheel of doom, your hand on the wheel  
The wheel of doom, light or darkness  
The wheel of doom, no lying, no deal

Don't stuck on relics that block your way,  
Don't be a wheel in their gear  
So free yourself or you'll have to pay,  
Open your eyes wipe away your fear

It's you, keeping the hand on the wheel  
It's you, ruling the fate  
It's you, keeping the power to change the world  
Before it's too late

The wheel of doom, turning circles  
The wheel of doom, your hand on the wheel  
The wheel of doom, light or darkness  
The wheel of doom, no lying, no deal

## **Metalhead**

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

There's power in your blood, there's thunder in your veins  
Staunchness is the way to keep you away from pain  
If your everlasting soul is shedding off its fear  
You'll be a rebel at heart, a stone in their gear

Fear and pain, Hades' name  
Sin and pride their evil guide

Metalhead, trust in yourself and fight  
Metalhead, free your mind  
Metalhead, deny the darkened side  
Metalhead, your soul is prime

They try to break your back, they wanna take away your pride  
Fatheads are what they need, they wanna take you for a ride  
Backbiters're telling lies to bring you into line  
They try to ban the truth 'cause power and money's prime

Fear and pain, Hades' name  
Sin and pride their evil guide

Metalhead, trust in yourself and fight  
Metalhead, free your mind  
Metalhead, deny the darkened side  
Metalhead, your soul is prime

They fear the ancient symbols, true evil always will  
Now ascendant's rising, the fate will be fulfilled  
Banning of saviour from evil, the holy pentagram  
They know exactly who they are, blackest minds and men

Fear and pain, Hades' name  
Sin and pride their evil guide

Metalhead, trust in yourself and fight  
Metalhead, free your mind  
Metalhead, deny the darkened side  
Metalhead, your soul is prime

Metalhead, trust in yourself and fight  
Metalhead, free your mind  
Metalhead, deny the darkened side  
Metalhead, your soul is prime

## Soleil Royal

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

1692, the 29th of May

Sir "Tourville", the admiral, his fleet is on its way  
He commands his ships to fight, they attack the british line  
He must be caught in senseless pride, to him his honour's prime

His mighty flagship strong and brave, heading for the fight  
It puts the british men to grave, cruising through the tide  
The veil of night obscures the sea, the tables getting turned  
Confusion rules, no chance to flee, his fleet is getting burned

Cannons speak the fatal words, the language of death  
Wipes away too many men, takes away their breath

Heat and fire, burning pyre  
Smoke and flames, a raging hell  
Death and blood, the fatal rub  
Blows away "Soleil Royal"

Their position's getting intricate, heading for "Cherbourg"  
Desperatly they dare their fate, they feel too much secured  
Cannons fire round by round, the smell of acred smoke  
Vibrating hull from top to ground, shacken by its poke

Cannons speak the fatal words, the language of death  
Wipes away too many men, takes away their breath

Heat and fire, burning pyre  
Smoke and flames, a raging hell  
Death and blood, the fatal rub  
Blows away "Soleil Royal"

To cape "Barfleur" they try to flee, the battle's raging hard  
Balls of lead rushing the sea, hit the hull windward  
The english-man hard on their trace, follow turn by turn  
A heavy round, the coupe de grace, tearing up its stern

The powder in the storage room, litten by a spark  
Bursting kegs, a giant boom, tear the decks apart  
The blood spills of the scupperholes, the sea is turning red  
No time to pray, no bell to toll, no burial for the dead

Cannons speak the fatal words, the language of death  
Wipes away too many men, takes away their breath

Heat and fire, burning pyre  
Smoke and flames, a raging hell  
Death and blood, the fatal rub  
Blows away "Soleil Royal"

Heat and fire, burning pyre  
Smoke and flames, a raging hell  
Death and blood, the fatal rub  
Blows away "Soleil Royal"

## **Men In Black**

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

A blinding phenomenon lights up the darkened sky  
You think of U.F.O.'s, saucers that rush by  
Photographs are taken, the public is informed  
You trust in veracity but they laugh at you with scorn

Beware of the men in black, they rule the poison of darkness  
Beware of the men in black, the creeping snake that lies  
Beware of the men in black, staying black for all eternity  
Beware of the men in black, lackeys to the lord of flies

You don't let rule the lie where the truth should be the law  
So pale and blackdressed men are knocking at your door  
They use intimidation to bring you into line  
They say it's better to shut up if you think your health is prime

Beware of the men in black, they rule the poison of darkness  
Beware of the men in black, the creeping snake that lies  
Beware of the men in black, staying black for all eternity  
Beware of the men in black, lackeys to the lord of flies

Hey Mr. Blackheart do you think you can endure  
'Cause your cover up of truth, your net of lies is poor  
Once the time will come to break the hiding wall  
The truth will bid defiance, in deepest hell you'll fall

Beware of the men in black, they rule the poison of darkness  
Beware of the men in black, the creeping snake that lies  
Beware of the men in black, staying black for all eternity  
Beware of the men in black, lackeys to the lord of flies

## Underworld

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

Evil souls and blackest hearts, lurking in the night  
A darkened race, so mean and sly, they keep away from light  
Ancient words tell dreadful tales about the other side  
About its world where demons live and where the evil hides

They invade the world with war and pain to save their evil aim  
Their power's built on blackest lies, but man will pay its price

Underworld, the centre of the blackest heart  
Underworld, where the evil side hides in the dark

They've ruled the world through history, the lords of war and crime  
Military and government, they're brought into line  
Men in black, they cover up the sight of U.F.O.'s  
Their power's save as long as there is no one who knows!

They invade the world with war and pain to save their evil aim  
Their power's built on blackest lies, but man will pay its price

Underworld, the centre of the blackest heart  
Underworld, where the evil side hides in the dark

Churches built on holy spots its energy to ban  
Exposing truth, who's the church? blackest kind of men  
Religion's made to obscure the mind, living on its lies  
Who's the one to wear its crown? the devil! no disguise!

They invade the world with war and pain to save their evil aim  
Their power's built on blackest lies, but man will pay its price

Underworld, the centre of the blackest heart  
Underworld, where the evil side hides in the dark  
Underworld, where laws were made to hide the truth  
Underworld, where evilness and darkness rules

You have eyes to see, nevertheless you see nothing!  
You have a soul to feel, nevertheless you feel nothing!  
You have a mind to know, nevertheless you know nothing!

That is the way we want you to be!!! HO HO HO...

## Iron Heads

*Music: Gerald Warnecke*

*Lyrics: Rolf Kasperek*

One night they see light,  
Horizon is filled up with flames  
Destroying all the towns  
They left only dead and empty plains

Invaders are coming from space  
To destroy the whole human race  
Fire on the cities bringing death onto the world

They're coming to reign with power to scare  
They're coming to drive away the warpigs and their rules  
They're coming tonight to make the world alright

Iron Heads from the universe

Ruins are everywhere, the whole world is empty and dead  
No plains and oceans, pollution and warheads anymore

Invaders are coming from space to destroy the whole human race  
Fire on the cities bringing death onto the world

Iron Heads from the universe

-

## Bones To Ashes

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

Angel of death is walking through the ice-cold air  
To take the witches remains, he comes to take his share  
Hangman has done his work, destroying their dirty minds  
Loyal to the church to torture and to bind  
Murder and grinding, searching and finding a victim to kill  
Oppression and torment, killing to defend their faith

[Chorus]

Bones to ashes, black witches are blown to dust  
Bone to ashes, torment's for religious lust  
Bones to ashes, black witches are blown to dust  
Bone to ashes, torment's for religious lust

Tormenter's raising his torch in the sky  
To burn the convicted witch who is condemned to die  
He transmutes her body to dust to free her soul  
Fire destroys her flesh, no bell for her which tolls

Murder and grinding, searching and finding a victim to kill  
Oppression and torment, killing to defend their faith

[Chorus]

Pest and damnation to those who are delude  
Of too much blood and death they are accused  
Two much tombs and tiger, a treason to all mankind  
Fuck these bastards who are blind  
Murder and grinding, searching and finding a victim to kill  
Oppression and torment, killing to defend their faith

[Chorus]
